

STEIN COLLECTORS INTERNATIONAL

Jack Heimann Service Award Nomination Form

Criteria for Selection

1. Candidate must be a member of SCI in good standing.
2. Candidate must be widely recognized as having performed exceptional service for SCI.
3. Criteria to be considered include official positions held, contributions at the national/international level, service at the chapter level and any other forms of service. *Speaking, publishing and otherwise sharing of expertise, which are proper qualifications for the Master Steinologist Award, are secondary considerations for the Service Award.*
4. Although no specific duration of service is mandated, it is normally expected that the service will have been provided over a minimum of several years.
5. Current SCI office holders are not eligible.

To complete this form, type directly into each field. When complete, save the form and send it to the Executive Director of SCI as an attachment to email. (The email address for the current SCI Executive Director is listed with the [SCI Officers on the SCI web site.](#))
